A form with the shoes needed and the cost of them will be sent home at the time of sizing. Please return this form with your payment to place your order. In an effort to keep shipping costs down orders will be placed on the 15th and the 30th of each month until November 2009. You will be informed when your shoes arrive and a parent will need to sign for the shoes. No shoes will be ordered without payment first.

All shoes are non-refundable and non-returnable.

(Dancers may wear whatever shoes they have until November of 2009)

PICTURES

Each season class pictures are taken for the Year Book and individual purchase. These are usually taken in April.

Please look for more information to come.

SPRING SHOWCASE

All dancers will be in two fully lighted and staged showcases at the end of the season. These are usually held in May. Please note that more shows may be added if needed, but your child will still perform in 2 shows. We will let you know specific dates as soon as we can for your planning purposes.

New Policy!

Dance Impressions believes in "Lessons that will last a lifetime". We want to instill in our youth of today the importance of completing the things in life that we start. We want them to understand how important their roll is in every situation, and how much their absence affects those around them. Therefore, Dance Impressions has implemented a new policy to keep the class room on track throughout challenges which may arise.

The staff and participants of Dance Impressions are making a commitment to one another for the term of the season. This season will run from September 2009 – Beginning of May 2010. Therefore, both the teachers and participants/clients are signing a contract with each other to fulfill their part in each role. The clients will agree to attend class on a regular basis and be consistent in doing so to allow for proper training and the progress of all of the students in their class. The absence of one student greatly affects the forward progression of the other students within that class. The client will agree to make payment in full for the term of the season (September 2009 – Beginning of May 2010) and all Costumes, Shoes and/or Events purchased or registered for on their behalf. The client will agree to make payment in full for all of the above even if they choose to withdraw from the season early. The early withdrawal of a student creates extreme hardship on the remaining performers in the class as well as the significant amount of time and work put in by the instructors and office staff to deal with accounts and the changes in choreography. Full payment for the remainder of the season and costumes, shoes and/or events on their behalf will still be due.

The staff of Dance Impressions will agree to attend class on a regular basis and be consistent in doing so to allow for proper training and the progress of all of the students in their class. The staff will also agree to keep their professional training up to date to assure you the client is receiving the best quality training possible. The staff will make this commitment to you throughout the season of your contract from September 2009 – Beginning of May 2010.

Both the staff and the clients of Dance Impressions will maintain a professional quality of behavior and attitude at all times while associated with Dance Impressions. At NO TIME will personal issues be discussed or brought into the dance studio. Dance Impressions runs a professional, safe and fun environment with our programs. Therefore, personal topics on all accounts are to be kept out of the business location as well as discussion for all staff and cliental of Dance Impressions.

*Upon registering for classes at Dance Impressions you will sign this contract which commits you for attendance and payment of class tuition, all costumes, all shoes and all events for the season of 2009-2010. The season runs from September 2009 through the beginning of May of 2010. The tuition is a set amount for the season and has been broken into **Seven (7)** monthly installments for your convenience. The Tuition does not include shoes, costumes, or scheduled events. These are all separate payments. Your tuition payments will run from September 2009 through March of 2010. There will be classes from September of 2009 through the beginning of May of 2010. All Costumes, shoes and events will be billed separately and will be due upon invoice. Payment which is not received will consequently not be ordered and/or registered. Late payment could result in not being able to get items on time or registration accepted for events. Therefore, late payments will incur a \$25.00 late fee automatically.*

Registration must be accompanied by a credit card valid through the end of March 2010. If you do not have a credit card valid through this date, you will need to supply us with the current card information ASAP. If this information is not updated, your contract with Dance Impressions will be considered faulty and will be sent to collections. You may use the credit card on file as your form of auto-payment or you do have the option of paying through bill pay or check. Should you choose to use another form of payment, your credit card will automatically be billed and will include a \$25.00 late fee if payment is not received within 10 days of the due date.

If you are not able to supply Dance Impressions with a credit card at the time of registration your registration will need to be accompanied with payment in full for the year or you may discuss a payment plan with Ms. Wendy. Without a credit card on file, no costumes, shoes or events will be ordered or registered for without payment in full prior to placing the order.
